**Coaching/Consulting Options:** Please complete the questions below as they apply to any personalized coaching or consulting options available.

Is coaching available for teachers implementing your materials? If yes, please describe.	<p><b>Literacy Solutions™</b> from Houghton Mifflin Harcourt is our newest division dedicated to supporting teachers with personalized professional learning and coaching. To enhance and deepen practices, <b>Literacy Solutions™</b> offers individual and team coaching. Using the Literacy Practices Inventory, we will work with teachers to select learning goals based on student data and observations, implement teaching practices and strategies aligned to their goals, and provide support opportunities for reflection to review progress. These coaching practices drive the coaching cycle and ensure that the coaching work is partner-based, student-centered, and goal-driven. The use of these practices helps us deliver on our promise of:</p> <ul style="list-style-type: none"> <li>• Improved quality of instruction</li> <li>• Improved student learning</li> <li>• Increased teacher engagement</li> <li>• Increased student engagement</li> </ul> <p>The <b>Literacy Solutions™</b> blended approach to coaching supports teachers through in-person and online coaching to provide a sustained, personalized, flexible, and collaborative professional learning experience, with access to the <a href="#">HMH Coaching Studio</a> platform. The <b>HMH Coaching Studio</b> makes it easy for teachers and coaches to stay connected, share resources, upload and reflect on classroom videos, and make continuing progress on learning goals.</p>
Is coaching available for school leadership and	<b>Literacy Solutions™</b> also provides coaching for school leadership and district staff to ensure a successful implementation. Leadership coaching will be
