

Publisher Response: Reading Horizons

The Reading Horizons team wishes to thank the Texas Education Agency and review teams for thoroughly reviewing *Reading Horizons Discover*[®]. We are honored by our outstanding ratings, including 100% alignment with all phonics-related TEKS.

Reading Horizons supports educators with powerful tech-enabled foundational reading instruction that helps all students reach reading proficiency by the end of third grade. For nearly 40 years, the Reading Horizons[®] method has aligned with the evolution of the science of reading, empowering more than 50,000 educators with our evidence-based teaching method to prevent and remediate reading difficulties.
