

## **PUBLISHER RESPONSE TO FINAL REPORT**

### **Texas myView Literacy & Texas miVisión Lectura**

Texas myView Literacy and Texas miVisión Lectura are comprehensive programs aligned to the Science of Reading that meet 100% of the state required TEKS and ELPS Specifications.

In support of districts with the implementation of the programs, mySavvasTraining provides district administrators, instructional coaches and teachers with comprehensive training to ensure all materials are implemented as designed.

All users have access to annotated classroom videos, strategies for implementing core routines, and samples of student work from lessons and units. Guidance for planning and pacing is provided, along with authentic opportunities to apply program-specific knowledge to enhance instructional practices.

Savvas is pleased to provide these High Quality Instructional Materials to Texas teachers for use in their ELAR/SLAR classrooms.
