Coaching/Consulting Options: Please complete the questions below as they apply to any personalized coaching or consulting options available.	
<p>Is coaching available for teachers implementing your materials? If yes, please describe.</p>	<p>Early childhood programs demonstrating strong fidelity are more likely to achieve positive outcomes. Frog Street Coaching ensures educators are equipped to implement the curriculum with fidelity through a sequence that includes a strategy session, observations, and modeling. Frog Street Consultants meet with school staff to discuss opportunities for growth, then schedule with individual teachers for the observation and modeling time. A written summary outlining strategies to improve identified areas of growth are provided. Frog Street consultants are CLASS certified, further enhancing support for instructional improvement.</p>
<p>Is coaching available for school leadership and district staff implementing your materials? If yes, please describe.</p>	<p>The course is a customized, in-depth training of curriculum pedagogy, organization, and implementation strategies that will strengthen the district or agency administrators to coach and support fidelity of curriculum implementation and effective, continued use.</p> <p>Objectives:</p> <ul style="list-style-type: none"> • Ensure teachers have an in-depth understanding of the <i>Frog Street Pre-K 2020</i> curriculum implementation and participate in the components of the instructional day, from Greeting Circle to Closing Circle, including strategies from Conscious Discipline. • Incorporate and model best practices for those who will be training, supporting, or supervising others. • Provide applicable information that can be used to effectively use the Frog Street Administrative Classroom Observation Fidelity Tool. • Understand methods of coaching teachers on the implementation of the teaching strategies used in the curriculum.
