Coaching/Consulting Options: Please complete the questions below as they apply to any personalized coaching or consulting options available.

Is coaching available for teacher implementing your materials? If yes, please describe.*

To enhance and deepen practices HMH offers individual and team coaching. Using the Literacy Practices Inventory, we will work with teachers to select learning goals based on student data and observations, implement teaching practices and strategies aligned to their goals, and provide support opportunities for reflection to review progress. These coaching practices drive the coaching cycle and ensure that the coaching work is partner-based, student-centered, and goal-driven.

Is coaching available for school leadership and district staff implementing your materials? If yes, please describe.*

HMH through ICLE also provides coaching for school leadership and district staff to ensure a successful implementation. Leadership coaching will be focused on not only building the skills of the leadership team, but also based on the specific needs of teachers and students to increase teacher and student engagement and achievement using Into Literature Texas.
